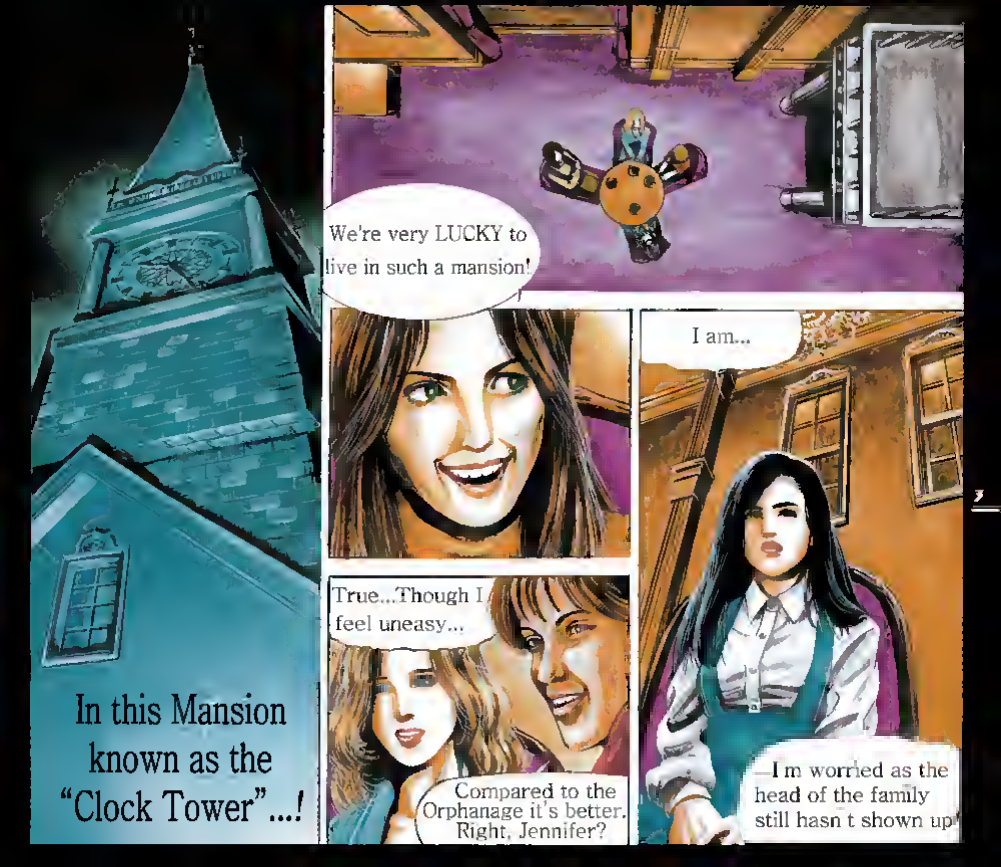
STALKING INSANITY

When I was 5 years old
My father disappeared.
And soon after that, my mother also died——
Then
I was sent to Granite Orphanage
I was adopted and from there I was taken here ——



In this Mansion known as the "Clock Tower"...!
We're very LUCKY to live in such a mansion!
True...Though I feel uneasy...
Compared to the Orphanage it's better. Right, Jennifer?
I am...
—I m worried as the head of the family still hasn t shown up!

And the reason why he adopted us....
.... Mr. Burroughs likes children!
You'll be able to meet him soon.
It's late, now go to bed already...
